Respected sir,

With due respect we state that we are from Srishti International Sports School Moth, Narnaund (Hisar). Sir, we got our affiliation on dated 20 November 2019. Now we need extension of our affiliation. But board ask for last 3 years board result for extension of school affiliation. But our students will appear in board examination this session 2021-22. So, sir we are helpless to show last 3 year result please accept our application for extension of our file for affiliation.
